

Christian Missaglia

Head of Procurement, Enel North America

Christian Missaglia is Head of Procurement for Enel North America, where he is responsible for the scouting, the purchasing and contracting across each of Enel's business lines (Enel Green Power, Enel X and Global Trading) and Staff and Services units, for the US, Canada and Mexico.

Since 2005, Mr. Missaglia has held several key leadership roles within the Enel Group. He started his career at Enel working in different roles in thermal, geothermal and hydroelectric power plants in Italy. He spent many years within the Internal Audit function that eventually brought him to the US. In 2013 he was Head of Internal Audit for North America. After this, he managed teams in Operation and Maintenance, Services and Security, and Process Efficiency. Mr. Missaglia was responsible for general services and facility management for over 100 civil and industrial facilities across the US and Canada, and led the realization of the current Andover Office.

Mr. Missaglia received his master's degree in Mechanical Engineering from the Università degli Studi di Napoli Federico II and Executive Education from Massachusetts Institute of Technology – Sloan School of Management and Harvard University.
